API Appoints James Legg as VP Sales & Marketing

MEMPHIS, Tenn., October 6, 2008 - Aerospace Products International, Inc. (API), a wholly-owned subsidiary of First Aviation Services Inc. (FAVS.PK) and a leading supplier of innovative distribution and supply chain services for the aviation industry, announces the appointment of James Legg as Vice President of Sales and Marketing. Jim brings with him twenty-two (22) years of experience in the aviation industry, which includes sales, marketing, product development, vendor management and aircraft maintenance assignments.

Prior to joining API, Jim held the positions of Director of New Business Development and Director of Product Lines for the AAR Allen Asset Managements distribution business segment after serving as the Director of Sales and Operations for AAR Distribution's airline group. Jim has also held several positions including outside general aviation sales and inside sales management for Barfield Instrument Corp. and Avsco, Inc.

Jim began his aviation career in the United States Navy as an Aviation Electrician in support of F14A aircraft. He served in the Navy from 1985 to 1989 and from 1991 to 1992.

About Aerospace Products International

API offers worldwide customer service 24 hours per day, 7 days per week, 365 days per year (+1.888.API.24X7 or +1.888.274.2497) through strategically located distribution centers and partnerships in the USA, Canada, China, Philippines and Europe.

Aerospace Products International, Inc., headquartered in Memphis, Tenn., is the leading provider of innovative distribution and supply chain services for the aviation industry. API distributes aircraft parts and related products and components to manufacturers, maintenance providers, and operators of some of the most widely used commercial, corporate and general aviation aircraft. In addition to its product supply services, API offers the aviation industry extensive supply chain management and

third-party logistics services and solutions, including forecasting and procurement services, inventory management, rotables management, and product sales. API also offers overhaul and repair services for brakes and starters/generators, and builds custom hose assemblies. Its parent company, First Aviation Services Inc., is a worldwide leader in providing services to the aviation industry.
